Our office administrator will help you obtain information you need and connect you with your agent during business hours. After business hours a phone menu will allow you to select the agent that you have been working with and will forward your calls to them.

Remember that if you are doing drive by's of properties and calling the agent on the sign, the person you talk with will be representing the Sellers interests, NOT YOURS!

Be smart, get a Buyers Agent to represent your interests, communicate with them, and let them walk you through the process. The Seller still pays the commission and you end up with someone representing your interests!
